

Our Story

Crown Services, Inc. was founded in 1968 by Chad Countiss. The corporate headquarters is located in Columbus, Ohio with offices in the Midwest and Southeast. We specialize in light industrial, office, administrative, and healthcare positions. Each office is involved in their local community.

Our Services

We are a staffing partner working with companies to solve their employment challenges and people with their career search. Whether you are staffing for employee vacations, family medical leave, peak seasonal time, special projects or permanently, we can lend a helping hand.

Finding quality employees with the right skill set can be time consuming, expensive and challenging. We have developed a comprehensive sourcing strategy that is global in focus yet local recruiters provide personal assistance. As a result, we can successfully locate, identify and match you with qualified candidates quickly and economically.
